*Coating Workshop in Lille, France, September 11<sup>th</sup>, 2008*

**SPONSORING, EXHIBITING AND ADVERTISING OPPORTUNITIES**

Dear Colleague,

It is our pleasure to announce the upcoming coating workshop organized by the **APGI** in Lille, France, on **September 11<sup>th</sup> 2008**.

**The workshop is dedicated to the coating of solid pharmaceutical dosage forms** and addresses scientists from all over Europe, in particular those working in the pharmaceutical industry. **A variety of lectures will be given by academic and industrial speakers**, pointing out the challenges to be faced and explaining strategies for an efficient and successful product development.

The worldwide leading researchers in the field, including **Prof. J. McGinity from the University of Texas at Austin** and **Prof. R. Bodmeier from the Freie Universitaet Berlin** will give invited lectures and discuss with the audience. Major international companies contribute to this outstanding event, for instance **Colorcon, Ethypharm, FMC and Instacoat-Ideal Cures** (platinum sponsors), **Solvay** (gold sponsor), **Abbot, BASF, Evonik, Roquette** and **Seppic** (silver sponsors).

Furthermore, a series of **practical demonstrations** will give insight into the different types of coating equipments, excipients available on the market and helpful film coating characterization techniques. These demonstrations will be provided by **GEA, Glatt, Loedige, Sotax, Varian, Mettler Toledo** and **StableMicroSystems**.

**Exhibitors** include **Colorcon, Ethypharm, FMC, Instacoat, Roquette, Seppic** and **TeraView**.

Please find attached the first flyer announcing this event and giving some more detailed information.

We would highly appreciate if your company could contribute to the meeting, for instance acting as a sponsor and/or exhibitor. Please find attached details on the various sponsoring possibilities. Your contribution will help to intensify the fruitful exchange between academia and industry and at the same time promote the awareness of your activities in the pharmaceutical field.

Thank you very much in advance and looking forward to associating you with this successful event!

Yours sincerely,

Prof. Elias Fattal  
President of APGI

# A SHORT PRESENTATION OF THE APGI ORGANIZER OF THE: "Coating Workshop 2008"

11<sup>th</sup> September 2008, University of Lille, Lille, France

The **APGI** (Association de Pharmacie Galénique Industrielle) was created in 1964 in Paris, and is an association accessible to all, academics and individuals in industry, who are concerned with pharmaceutical technology and the design, formulation and pharmacotechnical, biopharmaceutical and pharmacokinetic assessment of dosage forms and delivery systems, whether pharmaceutical or dermopharmaceutical. The **APGI** has members covering more than thirty different nationalities and counts contacts and friends in over fifty countries. The **APGI** is a member of the **EUFEPS** (European Federation of Pharmaceutical Sciences) and of the **FIP** (Fédération Internationale Pharmaceutique).

The APGI is publishing the newsletter *La Gazette* and the scientific publication the *Journal of Drug Delivery Sciences and Technology*, which is the official journal of the **APGI**, the **A.D.R.I.T.E.L.F.** (Italy) and the **APSTJ** (Japan).

The **APGI** is organizing several major events as:

*The World Meeting on Pharmaceutics, Biopharmaceutics and Pharmaceutical Technology* (Florence, 2002 - 1300 participants; Geneva, 2006 – 1000 participants, Barcelona, 2008 – 1450 participants) co-organized with the APV, Germany.

*1<sup>st</sup> Conference on "Innovation in Drug Delivery: From Biomaterials to Devices"* (Naples, Italy – 30 September – 3 October, 2007 - 360 participants, co-organized with the A.D.R.I.T.E.L.F.-Italy and the University of Naples Federico II, Italy).

*The Skin and Formulation Symposium* (Paris 2003 – 180 participants, Versailles, 2006 – 250 participants). *The Skin and Formulation, 3<sup>rd</sup> Symposium & Skin Forum, 10<sup>th</sup> Annual Meeting*, will take place in Versailles, 9-10 March, 2009.

The APGI was also one of the main partners in the *PharmSciFair – The Pharmaceutical Sciences Fair and Exhibition* (Nice, 2005 - 1200 participants). The next *PharmSciFair* will be organized in Nice, 9-12 June, 2009.

*The 11<sup>th</sup> International Symposium on Cyclodextrins* (Montpellier, 2004 - 250 participants).

*The Eufeps/Api Conference on "Optimising Drug Delivery and Formulation"* (Versailles, 2003 and 2005 - 230 participants).

*The European Conference on Drug Delivery and Pharmaceutical Technology* (Sevilla, 2004 – 550 participants, co-organized with the **A.D.R.I.T.E.L.F.**-Italy and the **SEFIG** - Spain).
