extended to March 16, 2009**

# **Young Pharmaceutical Scientists Meet in Nice**

**Pre-Satellite Meeting of the  
2<sup>nd</sup> Pharmaceutical Sciences Fair & Exhibition (PharmSciFair)**

# Pre-Satellite Symposium

## ORGANISING COMMITTEE

Siepmann, J. (Chair); Alderborn, G.; Augustijns, P.; Bettini, R.; Crommelin, D.J.A.; Danhof, M.; Deferme, S.; Demeester, J.; Deprez, B.; De Smedt, S.; Duchêne, D.; Florence, A.T.; Friess, W.; Frokjaer, S.; Goracinova, K.; Hennink, W.; Jannin, V.; Jiskoot, W.; Lehr, C.M.; Linden, H.H.; Madsen, F.; Minghetti, P.; Myles, C.; Ozer, O.; Schubert-Zsilavec, M.; Siepmann, F.; Somsen, G.W.; Urtti, A.; Vermeulen, N.P.E.; Vuorela, P.

## SCOPE AND AIM

Continuing the concept of the very successful pre-satellite meeting of the Pharmaceutical Sciences World Congress 2007 in Amsterdam, the Pharmaceutical Sciences Fair & Exhibition (PharmSciFair 2009, 8-12 June, Nice, France) is pleased to offer a pre-satellite symposium dedicated to the next generation of pharmaceutical scientists. PhD students and postdoctorate fellows from all over the world will convene in Nice to exchange ideas and discuss the latest developments in pharmaceutical sciences.

During the one and a half day event, young scientists will present lectures in parallel sessions on such topics as: Clinical Pharmacy/ Pharmacokinetics/ Pharmacodynamics/ Pharmacoepidemiology, Drug Delivery–Biology, Drug Delivery–Technology, Drug Transport/ Drug Metabolism/ Toxicology/ Safety, Medicinal Chemistry/ Target Discovery and Pharmaceutical Analysis/ Bioanalysis/ Quality Assurances/ Regulatory Affairs. In addition, poster presentations will be held on the latest research findings in all fields of pharmaceutical sciences. The students/postdoctoral fellows will have the opportunity to present their work during “poster walks”.

In each scientific section, the most outstanding poster presentation will be honored with a “Young Investigator Award”. Keynote lecturers in all areas will give comprehensive overviews on the current developments in their particular fields.

This pre-satellite meeting will give young pharmaceutical scientists the unique opportunity to network and share professional experiences before the start of the 2<sup>nd</sup> PharmSciFair on 8 June, to which they are also invited to register for and attend.

Nice is located on the French Mediterranean coast, the well-known Côte d'Azur. The “Jewel of the French

Riviera” is particularly famous for its landscapes, mild climate and gentle way of life. It is also rich of an extraordinary artistic and cultural heritage.

On behalf of the organising committee, we look forward to welcoming you to the Young Pharmaceutical Scientists Meeting and the 2<sup>nd</sup> Pharmaceutical Sciences Fair & Exhibition in 2009.

## PRELIMINARY PROGRAMME

Start: Sunday morning, June 7, 2009

End: Monday at noon, June 8, 2009

Social programme: Sunday evening, June 7, 2009

## LOCATION

University of Nice & Acropolis, Nice, France

For details consult our website:

[www.apgi.org/presatellitePharmSciFair](http://www.apgi.org/presatellitePharmSciFair)

## ACCOMODATION

For accommodation options, see links for hotel room reservation posted on the meeting's website at:  
[www.apgi.org/presatellitePharmSciFair](http://www.apgi.org/presatellitePharmSciFair)

## IMPORTANT DEADLINES

Abstract submission: February 15, 2009

Registration deadline: February 15, 2009

Payment only after receipt of the notification of acceptance (1 month after submission deadline)

## FURTHER INFORMATION

For further information consult the meeting's website at:
