

**Dear Sir/Madam,**

on behalf of the Organizing Committee we are pleased to invite you and your co-workers to participate in the **12<sup>th</sup> Central European Symposium on Pharmaceutical Technology and Regulatory Affairs and Satellite Symposium on Pharmaceutical Biotechnology** held in Szeged, Hungary.

The conference series started in 1995 under the patronage of EUFEPS and the goal of the founders was to give a platform for colleagues from the Central - and Eastern - European region working on the field of pharmaceutical technology in the industry, universities or academic institutes for the discussion of new scientific achievements.

We expect about 300 people to attend the conference.

**Sessions of the Symposium are focusing but not limited to the following topics:**

***Innovations in drug delivery:***

Targeted drug delivery  
Delivery of peptides  
Nanostructured drug delivery systems

***Novel strategies in dosage form design and development:***

2D/3D printing  
Continuous manufacturing  
Particle engineering

***Translational pharmacy:***

Personalized medicine  
Pediatrics/Geriatrics  
Regulatory Affairs and Quality by Design

**The Scientific Committee invites colleagues to submit as many abstracts as possible.**
